

Save with our Annual Reorder Program

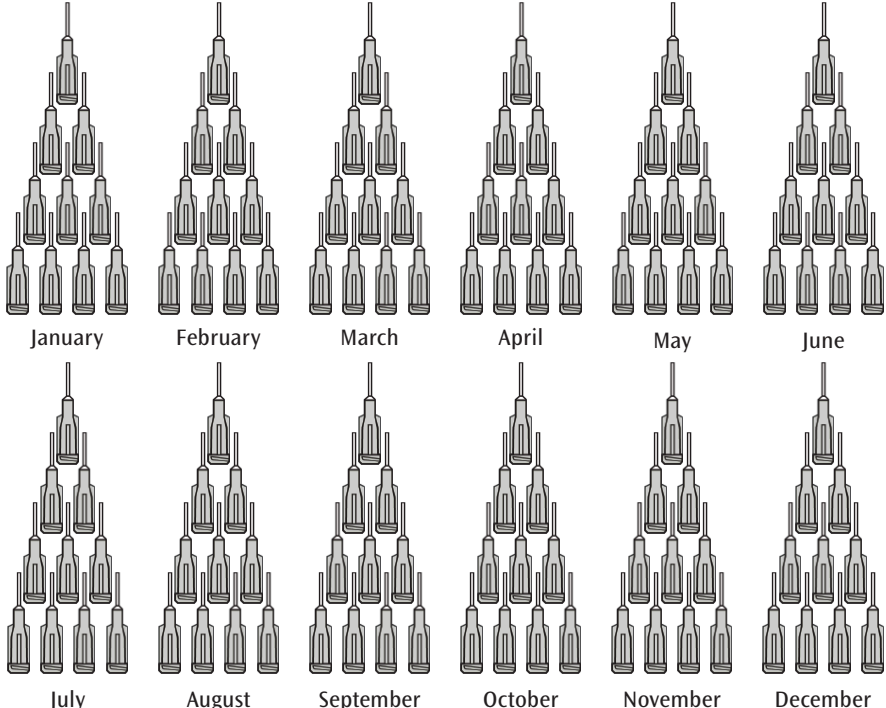

Did you know you can save money by ordering your annual volume of Fishman components in one order with monthly release quantities? We offer volume price breaks from 1 to 25,000 pieces, so annual ordering saves you money over ordering each month. And, you can take delivery monthly rather than all at once.

No Risk Guarantee: If your annual usage drops simply cancel the remaining releases. For example: Order 100,000 and only use 50,000. It's simple, cancel the remaining

50,000 and Fishman will bill you for the difference in price between the 100,000 and 50,000 price. Bottom line – You pay the 50,000 price for the 50,000 pieces consumed.

- :: Save purchasing hours
- :: Just in time delivery for lean manufacturing
