SmartDispenser®
Large Dot Any Viscosity
 Use this model for dispense volumes between .00086 & 30cc, ideal for large dot dispensing and potting. For use with industrial grade Genius® reservoirs and dispense tips.

LDAV-HT

AirFree® Technology

Price and performance (fluid deposit repeatability) are the first consideration when choosing a fluid dispensing system. Fishman AirFree® technology provides unparalleled performance, the lowest deployment cost and the lowest total cost of ownership when compared to other fluid dispensing systems. The result is an excellent return on total investment while generating significant profits over the systems life.

Total Cost of Ownership

AirFree® Technology Adds Profits When Replacing Air Driven Systems

Cost of ownership, Air vs. AirFree®, one fluid dispenser
