

# MANUAL CARTRIDGE DISPENSE GUNS

Manual cartridge dispensing guns provide an ergonomically correct and efficient method to dispense fluid from a cartridge reservoir.

For use with an industrial strength, manual, ratchet system. These guns are designed for the rugged industrial manufacturing environment.

## Manual Dispense Gun Kits

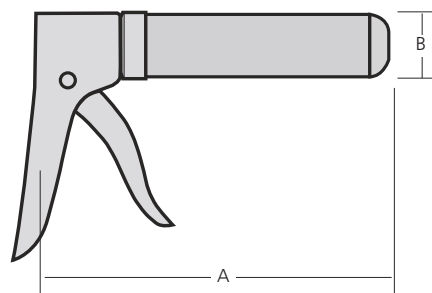

Each gun comes with a retainer, gun handle, cartridge, plunger, end cap, and tip cap. These are ideal for "in the field" applications.

Part #	Size	Cartridge Density
411132	1 oz	high
421132	2.5 oz	high
431132	6 oz	high
441132	8 oz	high
451132	10.6 oz	high
461132	12 oz	high
471132	20 oz	high
481132	32 oz	high

## Manual Dispense Guns

Each gun comes with a retainer and gun handle. These are ideal for "in the field" applications.

Part #	Size	A	B
2315562	1 oz	6-1/2"	1-3/4"
2218242	2.5 oz	5-3/4"	1-3/4"
2218302	6 oz	9"	1-3/4"
2218322	8 oz	10-3/4"	1-3/4"
2302732	10.6 oz	13-1/2"	1-3/4"
2218362	12 oz	14-1/4"	1-3/4"
2302742	20 oz	14"	3"
2340542	32 oz	17-3/4"	3"

## Disposable Cartridges

The cartridge reservoir is molded polyethylene. All parts are packaged individually.

Part #	Size
2203102	1 oz.
2202382	2.5,6,8,12 oz.
2305022	10.6 oz.
2305862	20,32 oz.
2323642	1 oz.
2202522	2.5,6,8,12 oz.
2297562	10.6 oz.
2292212	20,32 oz.
2332222	1 oz.
2203162	2.5 oz.
2203182	6 oz.
2203202	8 oz.
2296892	10.6 oz.
2203222	12 oz.
2297342	20 oz.
2329172	32 oz.
2344112	All Sizes
B020013	All Sizes
2205382	2.5 x .125
2205402	2.5 x .062
2205422	4.0 x .031
2205442	4.0 x .062

## Nozzles

Polyethylene nozzles fit all cartridge sizes and have 1/4" NPT threads.
